Odour	odourless	
Dimensions (bottle)	ca. 21 cm (height) x 9 cm (length) x 7 cm (width)	
Packaging unit	1 carton with 24 bottles (13.3 kg gross) 1 pallet with 672 - 840 bottles (373 - 466 kg gross)	

Technical applications

Information:	Specially developed for DESCOR® textiles by PONGS®, as an ideal stain remover. Use this high-performance cleaner to remove coarse soiling such as grease, oil, smear, soot, wax, tar, rust, nicotine, rubber abrasion and much more.
Application:	Spray DESPRAY undiluted onto the soiled surface, allow to react briefly and wipe off with a dry cloth or sponge. If necessary, the effect can be intensified by light rubbing. Please test on an inconspicuous spot before use. Do not allow DESPRAY to dry!
Ingredients:	Isotridecanol, ethylhexyl hydrogen sulphate, 3-butoxypropan-2-ol, disodium metasilicate, tetrapotassium pyrophosphate, (2-methoxy-methylethoxy)-propanol, < 5 % phosphates, < 5 % anionic surfactants, < 5 % non-ionic surfactants, < 5 % amphoteric surfactants

Hazardous substance

PONGS® and DESCOR® systems are only intended for construction professionals. The systems are used exclusively by experienced craftsmen and specialists who are trained in these techniques. A list of recommended, approved installers is available upon request.
